Subject: Re: NML v. SpaceX, et al. :FRCP 26(f) Conference

Don

Are you available today for a short call to discuss this subject?

Thanks

Hal

In light of the motion to dismiss that is currently sub judice, we think it is premature to consider whether to convene a Rule 26(f) conference. Among other things, a ruling on the pending motion could affect the issues to discuss. The parties should reassess whether a conference is appropriate in the event that motion is denied.
